You're Not Losing Calls. You're Losing Customers.

Here's How AI Voice Agents Stop the Silent Revenue Leak.

Kodenyx AI

Problem

🕐 **Long Wait Times**

Customers abandon calls after just 2.5 minutes on hold.

📞 **Missed Opportunities**

30-45% of calls go unanswered during peak periods.

👤 **Staff Burnout**

60% staff report repetitive inquiries/calls drain energy and focus.

💵 **After Hour Gaps**

No coverage after office hours.

Kodenyx AI

The True Cost of Inaction

62%
Customer Loss
Customers leave after one bad experience

8x
